Docket No. 20220001-EI

Dated: June 23, 2022

**DUKE ENERGY FLORIDA LLC'S
AMENDED REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Duke Energy Florida, LLC (“DEF” or “Company”), pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), submits this Amended Request for Confidential Classification for certain information provided in its response to the Office of the Public Counsel’s (“OPC”) Fourth Set of Interrogatories (Nos. 31-69), dated May 31, 2022, and OPC’s Fourth Request for Production of Documents (Nos. 19-39), dated June 3, 2022, respectively, and its Supplemental Response to OPC’s Fourth Request for Production of Documents, June 6, 2022, concurrently with DEF’s Notice of Intent to Request Confidential Classification, document numbers 03311-2022, 03406-2022, and 03448-2022, respectively. This Amended Request is timely. *See* Rule 25-22.006(3)(a)1, F.A.C. In support of this Amended Request, DEF states:

1. DEF’s Responses to OPC’s Fourth Set of Interrogatories (Nos. 31-69) , specifically question 31, and OPC’s Fourth Request for the Production of Documents (Nos. 19-39), specifically questions 28 and 30, contain information that is “confidential proprietary business information” under Section 366.093(3), Florida Statutes.

2. The following exhibits are included with this amended request:

(a) Sealed Composite Exhibit A is a package containing unredacted copies of all

the documents for which DEF seeks confidential treatment. Composite Exhibit A was submitted separately in a sealed envelope labeled “CONFIDENTIAL” on May 31, 2022, June 3, 2022, and June 6, 2022, respectively. In the unredacted versions, the information asserted to be confidential is highlighted in yellow.

(b) Composite Exhibit B is a package containing two copies of redacted versions of the documents for which the Company requests confidential classification. The specific information for which confidential treatment is requested has been blocked out by opaque marker or other means.

(c) Exhibit C is a table which identifies by page and line the information for which DEF seeks confidential classification and the specific statutory bases for seeking confidential treatment.

(d) Exhibit D contains affidavits attesting to the confidential nature of information identified in this amended request.

3. As indicated in Exhibit C, the information for which DEF requests confidential classification is “proprietary confidential business information” within the meaning of Section 366.093(3), F.S. Specifically, the information at issue in DEF’s response to Interrogatory No. 31 and Request for Production Nos. 28 and 30, relate to proprietary contracts, third party evaluations, and information. Pursuant to contracts, DEF is obligated to maintain the confidentiality of this information, and therefore it qualifies for confidential classification. The disclosure of this information could adversely affect the Company’s ability to contract on favorable terms. *See* § 366.093(3)(d), F.S.; Affidavit of Anthony Salvatore at ¶¶ 4 and 5. Furthermore, disclosure of the information could detrimentally impact DEF’s ability to negotiate favorable contracts, thereby harming its competitive interests, ultimately to its customers’ detriment. *See* § 366.093(3)(e), F.S.;

Affidavit of Anthony Salvarezza at ¶¶ 4 and 5. Accordingly, such information constitutes “proprietary confidential business information” which is exempt from disclosure under the Public Records Act pursuant to Section 366.093(1), F.S.

4. The information identified as Exhibit “A” is intended to be and is treated as confidential by the Company. *See* Affidavit of Anthony Salvarezza at ¶ 6. The information has not been disclosed to the public, and the Company has treated and continues to treat the information at issue as confidential. *See* Affidavit of Anthony Salvarezza at ¶ 6.

6. DEF requests that the information identified in Exhibit A be classified as “proprietary confidential business information” within the meaning of section 366.093(3), F.S., that the information remain confidential for a period of at least 18 months as provided in section 366.093(4) F.S., and that the information be returned as soon as it is no longer necessary for the Commission to conduct its business.

WHEREFORE, for the foregoing reasons, DEF respectfully requests that this Amended Request for Confidential Classification be granted.

RESPECTFULLY SUBMITTED this 23rd day of June, 2022.

AFFIDAVIT OF ANTHONY SALVAREZZA

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Fuel and purchased power cost recovery
Clause with generating performance incentive
Factor

Docket No. 20220001-EI

Dated: June 20, 2022

**AFFIDAVIT OF ANTHONY SALVAREZZA IN SUPPORT OF
DUKE ENERGY FLORIDA'S REQUEST FOR CONFIDENTIAL CLASSIFICATION**

STATE OF FLORIDA

COUNTY OF PINELLAS

BEFORE ME, the undersigned authority duly authorized to administer oaths, personally appeared Anthony Salvarezza, who being first duly sworn, on oath deposes and says that:

1. My name is Anthony Salvarezza. I am over the age of 18 years old, and I have been authorized by Duke Energy Florida (hereinafter "DEF" or the "Company") to give this affidavit in the above-styled proceeding on DEF's behalf and in support of DEF's Request for Confidential Classification (the "Request"). The facts attested to in my affidavit are based upon my personal knowledge.

2. I am the General Manager of Regional Services. I am responsible for leading and directing project engineering, project management, outage management, business planning and specialized maintenance in Regulated and Renewable Energy. My major duties and responsibilities include providing safe, reliable, efficient, economic, environmental, and regulatory compliant maintenance activities through the development and implementation of processes and programs.

3. DEF is seeking confidential classification for certain information provided in its responses to the Office of the Public Counsel's ("OPC") Fourth Set of Interrogatories (Nos. 31-

69) and OPC's Fourth Request for Production of Documents (Nos. 19-39). The confidential information at issue is contained in confidential Exhibit A to DEF's Request and is outlined in DEF's Justification Matrix that is attached to DEF's Request as Exhibit C. DEF is requesting confidential classification of this information because it contains sensitive business information, the disclosure of which would impair the Company's competitive business interests and ability to contract for goods and services on favorable terms.

4. The confidential information at issue relates to proprietary third-party and technical information regarding the third-party's proprietary component design and operation parameters, the disclosure of which would impair the third-party's competitive business interests, and if disclosed, the Company's competitive business interests and efforts to contact for goods or services on favorable terms. In order to contract with third-party vendors on favorable terms, DEF must keep third-party proprietary information confidential.

5. Further, if DEF cannot demonstrate to its third-party vendors and others that may enter contracts with DEF in the future, that DEF has the ability to protect those third parties' confidential and proprietary business information, third parties will be less likely to provide that information to DEF – harming DEF's ability to prudently operate its business. DEF has not publicly disclosed the information. Without DEF's measures to maintain the confidentiality of this sensitive business information, DEF's ability to contract with third parties could detrimentally impact DEF's ability to negotiate favorable contracts, as third parties may begin to demand a "premium" to do business with DEF to account for the risk that its proprietary information will become a matter of public record, thereby harming DEF's competitive interests and ultimately its customers' financial interests.

6. Upon receipt of its own confidential information, strict procedures are established and followed to maintain the confidentiality of the terms of the documents and information provided, including restricting access to those persons who need the information to assist the Company, and restricting the number of, and access to the information and contracts. At no time since receiving the information in question has the Company publicly disclosed that information. The Company has treated and continues to treat the information at issue as confidential.

7. This concludes my affidavit.

Further affiant sayeth not.

Dated the 16th day of June, 2022.
