**COMPLAINT INFORMATION**

Complaint: Other Complaint against Florida Power & Light Company  
Details:

I want to file a complaint about the increase of the base fee for my electric bill. I recently went to solar and my base connection fee was \$10.77 total. Now it is \$29.95! Nearly 3x the original price. This was down without any provision of notice of written justification. I want my bill reduced to its original connection fee.
