Subject: The FPL Bureaucracy !

Commissioner Gabriella Passidomo, www.fpsc.gov

Good Afternoon !

Ref : Docket # 20210015 Tracking Numbers : 187688 187738 FPSC Initial Inquiry No : 1398580C

The FPL Bureaucracy : (Minimum Electrical Rate Usage Increase ?)

As an intelligent individual who has no doubt done his homework, I am still in amazement as to how the FPSC could of granted permission for FPL to raise the minimum electrical rate usage charge ?

Myself, and no doubt many more out there in Florida are being monetarily penalized primarily due to a Lower Monthly KWH usage ?

Does this make any sense Commissioner Passidomo ?

Many Individuals in my neighborhood have also complained of same, as I have advised them all to file their legitimate complaint with the FPSC. 1-800-342 3552

Where we proceed to from here is also anybody's guess, as FPL seems to be in the drivers seat ? (Thank You FPL)

Thank You.

Respectfully,

Michael J. Walsh
