**Minimum Monthly Rate Increase :**

**I am once again politely asking your office to offer me the consideration that I most assuredly deserve as a Long Time Loyal Customer of FPL by removing the unwarranted charge on my monthly electrical bill.**

**We all make mistakes in life, and FPL made a mistake when the FPSC was asked to approve a minimum rate increase for customers such as myself who have a lower monthly KWH usage.**

**The FPSC also made a mistake when they incorrectly approved the request without taking into consideration what the monetary ramifications would be for Senior Citizens such as myself who should of been commended for my**

**sacrifice to minimize my electrical usage.**

**Please ask the FPSC to amend the approved request in order to exempt loyal customers such as myself from the minimum rate increase.**

**I in turn have also become an innocent victim of circumstance through no fault of my own, as I am monetarily being penalized for no good cause FPL.**

**Thank You For Your Consideration Sir.**

**Subject:** We Can't Afford Higher Rates from FPL

Commissioner Gabriella Passidomo,

I am writing as a concerned Florida resident and customer of Florida Power & Light (FPL). I received notification that FPL intends to increase rates for customers like me. I am urging you to rethink this decision and not increase our bills.

This past year has been extremely challenging financially for many people in the state of Florida. A rate increase is the last thing we need, especially for vulnerable folks who may be on a fixed income or struggling to find work.

I urge you to reconsider this rate increase.

This is ridiculous during a time like this with inflation at an all time high. These rates are astronomical and paying you guys with my home and business is becoming unaffordable. I'm using less electric than last year and paying more. This is insane. I will share this with all my patients and attorney friends to spread the word.
