Dear Commissioners:

I wanted to reach out to you regarding the proposed wastewater service to Knight, Don Pedro, and Little Gasparilla Islands. I wanted to confirm the county supports this project to remove the septic systems and the connection to sewer on the barrier islands.

Recently, the Charlotte County Board of Commissioners provided a letter of support for your consideration, please find the attached correspondence. My understanding is this matter is coming back to your commission in the very near future.

Please feel free to reach out to me should you have any questions.

Regards,

**Joe Tiseo**
