Florida Public Service Commission Clerk,

Re: 20220067-GU

At 80 years old, I live on a fixed income and do not receive any raises. Raises in costs hit us, the retired, especially hard. Please do not raise our rates.

This past year has been extremely challenging financially for many people in the state of Florida. A rate increase is the last thing we need, especially for vulnerable folks who may be on a fixed income or struggling to recover financially from the pandemic. We are all inundated with price increases on everything.

I urge you to reconsider this rate increase at this time.
