VOTE SHEET

FILED 9/8/2022
DOCUMENT NO. 06118-2022
FPSC - COMMISSION CLERK

Docket No. 20220003-GU – Purchased gas adjustment (PGA) true-up.

Issue 1: Should the Commission approve the Petition for Mid-Course Correction filed by SJNG?

Recommendation: Yes. Staff recommends the Commission approve the Petition for Mid-Course Correction filed by SJNG. Adjusting the PGA cap to \$1.60 per therm as proposed by the Company would allow SJNG the opportunity to timely recover a portion of the recent market-driven escalation in the Company’s actual and forecasted costs for natural gas that are expected to be much higher than originally forecasted.
