#### COMPLAINT INFORMATION

Complaint: Other Complaint against Duke Energy Florida, LLC d/b/a Duke Energy

#### Details:

I just read where Duke Energy is proposing a double digit percentage increase in January. I am writing to urge you to turn down their request. My bills have increased drastically, We are a retired couple on a fixed income and our bills are so expensive we have a hard time paying them. We seldom have company because of covid, but our bills are increasing. For the past year: January 256.40, February 332.65, March 446.15, April 442., May 563.19, June 507.78, July 486.47. I hate to think what my bills will be next year if you allow this raise in billing.
