Subject: Docket No. 20220001-EI: No new electric rate hikes!

Florida Public Service Commission Clerk,

Docket No. 20220001-EI

Good morning, I am writing as a concerned Florida resident and a electricity customer. I received notification that FPL intend to increase rates for customers like me. I am URGING you to rethink this decision and NOT increase our bills.

This past year has been extremely challenging financially for many people in the state of Florida. A rate increase is the last thing we need, especially for vulnerable folks who may be on a fixed income or struggling to recover financially from the pandemic. We are all inundated with price increases on everything.

I urge you to reject these outrageous rate increases at this time.
