Comments:

I understand FP&L is AGAIN pushing for an increase in their fees to us bound consumers. Realizing FP&L is pretty much a monopoly should come into your realization that they are a money-making empire with billions of assets in their coffers, and YET THEY CONTINUE TO SQUEEZE CONSUMERS! I just got my bill and couldn't believe how much we are paying. \$238.18 is just for the fuel and non-fuel charges! My bill is \$291.76 and our house is only 1200 sq. ft. ! Their commercials - full of B.S. - try to depict households with low bills - well ours hasn't been under \$250.00 in YEARS!!

PLEASE THINK OF US 'CONSUMERS' AND SAY "SORRY FP&L YOU ARE ALREADY MAKING TONS OF MONEY - SUCK IT UP!"  
All other businesses have to deal with increasing costs, supply chain woes, and every other expenditure to survive and try to be profitable. All FP&L seems to do is keep asking for US TO PAY FOR THEIR COSTS OF DOING BUSINESS. THIS IS THE ULTIMATE KICK IN THE GUT FROM A BASICALLY MONOPOLY OF A BUSINESS. PLEASE....DO THE RIGHT THING!!!!
