Re: Docket No. 20220159-GU - Joint petition by Peoples Gas System and Florida Public Utilities Company for approval of special contract.

Dear Ms. Ponder:

By this letter, Commission staff requests that Peoples Gas System (PGS) provide responses to the following data requests:

1. Please explain why PGS is now planning to supply uninterrupted gas service to Florida Public Utilities Company (FPUC) as set forth in the proposed 2022 Gas Transportation Agreement (Special Contract), as opposed to the interruptible gas service PGS supplied under the September 2021 Gas Transportation Agreement.
2. Please explain why the term of the Special Contract is 19 months.
3. Please discuss the benefits to PGS's general body of ratepayers flowing directly from the Special Contract.
4. Please discuss all relevant facts considered by PGS and FPUC when negotiating the amount of the monthly charge to FPUC for reservation of firm capacity and transportation service on the PGS distribution system as set forth in Section 5.1 of the Special Contract, and then explain how FPUC and PGS used those facts to calculate the monthly charge.

Please file all responses electronically no later than Thursday, September 29, 2022, from the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and
