Re: 2021 Funding Solicitation Request

February 9, 2021

Dear Jeffry,

Since 1989, the American Gas Foundation has been a valuable resource for credible, independent public policy research on issues vital to the natural gas industry. Providing accurate information to policy makers and the public has always been important, and the Foundation's role in helping to formulate fact-based energy policies is now more crucial than ever before.

This annual funding solicitation seeks one annual contribution to pay for all expected expenditures of the Foundation each year. The requested annual contribution amount for AGA member companies is based on the number of customers served by the company as shown in the schedule below:

**Minimum Requested Voluntary Contribution for Natural Gas LDCs**

- Serving Up to 250,000 Customers	\$5,000
- Serving 250,000 to 1 Million Customers	\$10,000
- Serving 1 Million to 2 Million Customers	\$15,000
- Serving 2 Million to 3 Million Customers	\$25,000
- Serving greater than 3 Million Customers	\$40,000

Based on our data regarding the number of customers your company serves, we are requesting a contribution of \$5,000 for 2021.

Please complete and submit the attached form as instructed. An invoice will be sent to you upon receipt of the form. Please direct any questions to Rick Murphy, [rmurphy@aga.org](mailto:rmurphy@aga.org).

Sincerely,

A handwritten signature in black ink, appearing to read "Jim Laurito".
