FPSC Chairman Andrew Giles Fay.

Good Afternoon !

My Legitimate Concern : (Two Attached Letters) (FPSC Docket No. 20210015) (FPL Account No. 26582- 57510)

I sincerely hope that Governor Ron DeSantis will Honor my request, and Initiate a thorough investigation as to how both the FPSC, and also the office of Public Counsel could

possibly of permitted FPL to monetarily penalize Senior Citizen Veterans such as myself for my Lower Monthly KWH usage ?

Instead of praising, and also rewarding me for my sacrifice I as many others out there in Florida have been singled out

as innocent victims of circumstance primarily due to the greed, and also dishonesty of FPL !

Shame on You FPSC, and OPC !

Thank You.

Dear Governor DeSantis,

As I clearly stated in my letter to your office on September 19, 2022 I am respectfully requesting that your office initiate a Thorough investigation in order to honestly ascertain as to how The FPSC Commissioners could have ratified a proposal by FPL That monetarily penalizes Senior Citizen Veterans such as Myself for my Lower monthly KWH usage?

The response that I received from a Ms. Martha Lynn puzzles me, as Ms. Lynn has completely overlooked what I requested In my letter? Ms. Lynn has also failed to respond to several of The recent e-mails that I have forwarded to her office?

Thank You Governor.

Respectfully,

Michael J. Walsh
