Dear Mr. Thompson:

I would like to thank you for your letter dated November 20, 2022 regarding the referenced docket number. It is greatly appreciated that the State of Florida is looking into this matter.

Due to cost and time issues, I cannot request an administrative hearing, however I would like my concerns to be placed on record for this matter.

Tymer Creek is a fairly small community, however the issues with the current utilities company has had a great impact on all of us.

Thank you again for your assistance with this, and for your response.

Sincerely,  
Lisa Bennett
