Hi Beth,

Your message has been forwarded to me for response. Thank you for updating your mailing list renewal information. To the existing notice list in our Master Commission Directory, we have added notices of hearing for the electric, gas, telecommunications, water and wastewater industries; we also added notices of rulemaking and workshops for the water and wastewater industries. If anything changes, please let us know.

As an FYI, your original emailed response on 1/12/23, was sent to [CommissionClerk@psc.state.fl.us](mailto:CommissionClerk@psc.state.fl.us). As that is not a valid email address, it was never received by our office until you contacted Hong on this date. The correct email address is [Clerk@psc.state.fl.us](mailto:Clerk@psc.state.fl.us). I hope you find that information helpful. Please contact our office if you have any questions or concerns.

Have a great afternoon!

Most written communications to or from state officials regarding state business are considered to be public records and will be made available to the public and media upon request. Hi, Hong! I just wanted to check with you to make sure this came through. I know if recent past my emails have gotten hung up somewhere in the system.  
Thanks!
