Subject: Duke energy company

As a senior widow on a fixed income, I would greatly appreciate it if y'all would vote no on Duke Energy's proposed increase. It is not my fault we had two disastrous hurricanes, Duke is in Florida, hello, hurricanes happen here, plan for it and not expect the citizens like me pay to for it. I have to do without and make do, to survive they should too, not at my expense or others like me. Thank you for your consideration in this matter.
