COMPLAINT INFORMATION

Complaint: Delay in Service against Duke Energy Florida, LLC d/b/a Duke Energy
Details:

Please do not allow another rate increase. Yes you are allowed to but if a company is already seeing record profits should they be allowed to increase rates. It is truly un-American to hurt citizens this way. They have no competition and they know it. How about if they decrease their unnecessary advertising budget instead of my family going without medicine, dental appointments and food.
