Re: Docket No. 20230023-GU, Petition for rate increase by Peoples Gas System, Inc.

Dear Ms. Wesley:

In response to your Test Year Notification Letter dated February 3, 2023, the Florida Public Service Commission (Commission) has opened Docket No. 20230023-GU for Peoples Gas System, Inc.'s (Peoples or Company) forthcoming general base rate increase proceeding. It has been noted that Peoples proposes to utilize a projected 12-month test year period ending December 31, 2024, for the permanent rate increase proceeding. The Company's test year request is hereby approved for purposes of filing its Minimum Filing Requirements. Please be advised that approval of the test year for filing purposes does not mean that the appropriateness of the selected test year could not be raised as an issue in the proceeding.

It is my understanding that Peoples intends to make its filing no earlier than April 4, 2023, in order to be in compliance with Rule 25-7.140(1), Florida Administrative Code (F.A.C.). If the Company is unable to file by April 4, 2023, it must notify the Commission in accordance with Rule 25-7.140(3), F.A.C.

If you have any questions or concerns regarding this matter, please contact Andrew Maurey, the Director of the Division of Accounting and Finance, at (850) 413-6465.

Sincerely,

A handwritten signature in cursive script, appearing to read "Andrew Giles Fay".
