Good Morning, Patricia Oanes.

We will be placing your comments below in consumer correspondence in Docket No. 20220185, and forwarding them to the Office of Consumer Assistance and Outreach.

Thank you!

Toni Hover

Subject: Comment on Sandpiper water

This is Pat Oanes in Sandpiper Mobile Home Community regarding my opinion about Lake Yale Utilities.

I am not very happy with Lake Yale Utilities. They do not have very good water pressure in my opinion and they do not put enough chlorine in their water. We get a ring of mold in our toilet after only a few days whereas we used to not ever get a ring of mold in our toilet.

They got an increase last year so I don't see why they need an increase again this year. But I guess I would say okay IF they redid all the pipes in this park which would, I hope, improve the water quality and pressure for us since we have a very old water system.

Thank you,

Patricia Oanes
