CUSTOMER COMMENTS
I understand that prices have to go up. With this increase, I would like to receive or look at water quality reports, that service should be included in the proposed price increase. Maybe set up a cheap website where you post the water quality reports as they are taken. Basically we need a website to view recent water reports. XXXXXXXXXXXXXXXXXXXX

Any email or other correspondence sent to a Florida Public Service Commissioner, or any other public official and/ or employee of the PSC, in the transaction of public business is considered a public record and is subject to Florida's Public Records Law. This means that Florida law generally requires the PSC to provide a copy of any such email or correspondence, upon request, for inspection and copying to any Florida citizen or to any member of the media.
