CUSTOMER COMMENTS
One again! It looks like another substantial
Rate increase of about 15% when our income
share doesn't increase like that.
I think everyone is forgetting about those
of us living on a limited income in our
retirement years. You can plan and save
your entire life but price increase on every
thing these past 2 years is very concerning.

Any email or other correspondence sent to a Florida Public Service Commissioner, or any other public official and/ or employee of the PSC, in the transaction of public business is considered a public record and is subject to Florida's Public Records Law. This means that Florida law generally requires the PSC to provide a copy of any such email or correspondence, upon request, for inspection and copying to any Florida citizen or to any member of the media.
