Good Morning,

As a Broward County citizen I have seen my power bill at an alarming rate. Imagine my surprise when I spent 2 weeks out of town and my bill was higher than when we're all home. This is getting out of control. I can't afford to keep paying these kinds of prices and it is just not right. Every single month it continues to go up.

Please look into this and help protect the Florida citizens from this unfair practice.

Lourdes Cruz
