**Complaint:** Other Complaints against Pluris Wedgefield, LLC

**Details:**

It has come to our attention that after the recent failure of buyout of the Orange County water of Pluris. Pluris is raising rates on the local Wedgefield neighborhood water and wastewater again. Just a short time after receiving notice of the failed attempt for your notice. Which in my personal opinion was poorly worded by Orange County, and led to a non participation of majority voters. But that is just an opinion. This Pluris company continues to provide low quality water and extremely high rates. Currently the highest in the region ... Soon to be highest in the nation. Something needs to be done to stop this. Please help this neighborhood from these crooks!
