To Whom it May Concern:

I have lived in Wedgefield FL for 20 years now. When I first moved here our water bill was a normal rate. Now since Pluris has taken over, I feel like my bill goes up several times a year.

My husband and I moved here from New York, and we were able to drink the water from a hose if we wanted to. Since we have lived in Wedgefield FL we have bought so much bottles water because the water here is nasty. Pluris answer ti every thing is just raise the rate. This is getting out of control, my water bill shouldn't be over a hundred dollars. Pluris needs to go.

Sincerely:
