Dear Florida Public Service Commissioners,

We need your help to stop the residential electricity rate hikes in Florida.

Tampa Electric (TECO) has raised residential rates by 62% in the last four years. Residential customers need protection from these exorbitant rate hikes.

Please require TECO to file a more balanced cost of service study (12CP and 1/13th AD) and ensure that Florida families are protected in the process.

Sincerely,

Lori Harwell
