Subject: Docket No. 20230081-WS Royal Waterworks, Inc

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Royal Waterworks, Inc's is proposing monthly rate increases on our water, irrigation, and waste water that are exorbitant. This is a 94% increase on general service for water plus an increase of \$.10 per gallon and a 94% increase on general service for irrigation plus an increase of \$.10. PLUS about a 400% increase on wastewater.

I am a widow with my income based on Social Security and savings. Please do not approve these increases. Thank you.
