

January 31, 2024

Florida Public Service Commission  
c/o Clerk's Office  
Via Electronic Filing

Subject: Gibson Place Utility Company, LLC and  
Middleton Utility Company, LLC  
SERC Data Request for Proposed Amendment of Rule 25-30.0371, F.A.C.  
Utility Response

To Whom It May Concern:

The above referenced utility companies are in receipt of the letter from the Florida Public Service Commission (FPSC) dated January 18, 2024 requesting a response to the Statement of Estimated Regulatory Costs Data Request. On behalf of the referenced utility companies, we offer the following responses:

Rule 25-30.0371, F.A.C.

The actions covered by the Rule and the proposed changes are not applicable to any of the anticipated activities of either of the above referenced utility companies. Therefore, data related to the relevant questions is not applicable.

Section 288.703(6), F.S. and 120.52(18), F.S.

The above referenced utility companies are neither a small business, small city or small county. Therefore, data related to the relevant questions is not applicable.

Should you have any additional questions, please do not hesitate to contact me at the phone number listed on the letterhead.

Sincerely,

Trey Arnett, P.E.  
Authorized Agent
