Re: Docket No. 20230123-WS- Proposed Rule 25-30.0372, Alternative Procedure for Establishing Rate Base Value of Acquired Utility System [Statement of Estimated Regulatory Costs (SERC) Data Request for Proposed Amendment of Rule 25-30.0372, Florida Administrative Code (F.A.C.), Alternative Procedure for Establishing Rate Base Value of Acquired Utility Systems]

Dear Mr. Teitzman:

Attached for filing, please find Ni Florida, Inc.'s Response to Staff's SERC Data Request of January 18, 2024. Given that the underlying statute for proposed Rule 25-30.0372, F.A.C. does not apply to Ni, as set forth in Section 367.0811(8), F.S., Ni does not anticipate that adoption of the proposed rule would have any financial impact on the utility or result in any increased regulatory costs.

Thank you for your assistance with this filing. As always, please don't hesitate to let me know if you have any questions whatsoever.

Sincerely,

Beth Keating
