Hi Melinda,

Per your request below, the suffix for Docket 20230134 has been changed from WS to SU. Also, DN 06546-2023, which opened Docket 20230134 has been updated to reflect SU.

Thank you for bringing this to our attention.

Dorothy

Dorothy,

I apologize for not realizing this sooner, but like the Merritt Island name change docket, SGI Wastewater Services, Inc., which is a wastewater only utility, company code SU970, has a –WS suffix on it as well in CMS. The only other docket for this utility has the –SU suffix. This appears to be in error. Please change the suffix in Docket No. 20230134-WS from –WS to –SU in CMS. Please let me know if you have any questions

Thank you.
