Dear Public Service Commission,

The only information I have is a legal notice from Environmental Utilities, LLC... catchy name intended to gain favor, I'm sure. I prefer to call it what it is, a legal notice from private citizen Jack Boyer.

I was raised to know the difference between right and wrong and when something sounds wrong, it probably is. Why on earth would a private individual, in this case Jack Boyer, think he can send me some sort of unsolicited legal notice telling me what he is going to do on my property and no mention of how much I'm going to pay him to do it (initial and continuing costs)? Jack has never approached me with his idea. He has not asked me for my support, he has not showed me his plan, he has not requested my permission for access to

my property, and he has not told me it was going to cost me anything. **Importantly, he has not told me why he thinks I need his service. Just as importantly, Jack makes no mention that he is responsible for removing my current service if his service is forced upon me.** Note: my septic permit, #08-SM-944053, is dated 02/21/2024, it is a brand new system. Everybody is entitled to their own opinion, and I'm sure Jack has his, but I too have a right to my opinion and as it stands now, I have no reason to believe I need Jack's service.

Jack is proposing nothing more than a massive tax on my property for a service I do not need. Is this even legal? The free state of Florida needs to see Jack's plan for what it truly is, a private individual looking for financial gain at the expense of private property owners who are not asking for his service. Therefore, I call on all Commissioners of the Public Service Commission in the free state of Florida to shut Jack Boyer's plan down IMMEDIATELY.

Respectfully,
