FILED: May 13, 2024

**TAMPA ELECTRIC COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION
AND REQUEST FOR TEMPORARY PROTECTIVE ORDER**

Tampa Electric Company, ("Tampa Electric" or the "company"), pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, hereby requests confidential classification of the yellow highlighted information contained in the following described document(s) ("the Document(s)") stamped "CONFIDENTIAL" and all information that is or may be printed on yellow paper stock stamped "CONFIDENTIAL" within the Document(s), all of said confidential information being hereinafter referred to as "Confidential Information."

Description of the Document(s)

On this date, Tampa Electric serves its responses to the League of United Latin American Citizens of Florida ("LULAC") & Florida Rising's Second Request for Production of Documents (Nos. 6-37) ("LULAC & Florida Rising's Second Request"). The company believes that portions of its response to LULAC & Florida Rising's Second Request, as specified on Exhibit "A," constitute Confidential Information and has designated it as such by highlighting. Contemporaneous with the filing of this request, Tampa Electric submitted the Confidential

Information to the Commission Clerk under a separate, confidential cover letter. Tampa Electric requests confidential classification for this information such that it will be entitled to protection against public disclosure pursuant to Section 366.093, Florida Statutes. In support of this request, the company states:

1. Subsection 366.093(1), Florida Statutes, provides that any records “found by the Commission to be proprietary confidential business information shall be kept confidential and shall be exempt from s. 119.07(1), Florida Statutes [requiring disclosure under the Public Records Act].” Proprietary confidential business information includes but is not limited to: (a) trade secrets; (b) internal auditing controls and reports of internal auditors; (c) security measures, systems, or procedures; (d) information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms; (e) information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information; and (f) employee personnel information unrelated to compensation, duties, qualifications, or responsibilities. §366.093(3)(a)-(f), Fla. Stat. The Confidential Information that is the subject of this request and motion falls within one or more of these statutory categories and, thus, constitutes proprietary confidential business information entitled to protection under Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code.

2. Attached hereto as Exhibit "A" is a justification for confidential treatment of the Confidential Information contained in the Documents.

3. Exhibit “B” contains the public versions of the Documents with the Confidential Information.

4. The Confidential Information contained in the Documents is intended to be and is treated by Tampa Electric as private and has not been publicly disclosed.

5. For the same reasons set forth herein in support of its request for confidential classification, Tampa Electric also moves the Commission for entry of a Temporary Protective Order pursuant to Rule 25-22.006(6)(a) of the Florida Administrative Code.

Requested Duration of Confidential Classification

6. Pursuant to Rule 25-22.006(9)(a), Tampa Electric requests that the Confidential Information be treated by the Commission as confidential proprietary business information for 18 months. If, and to the extent that the company is in need of confidential classification of the Confidential Information beyond the 18-month period set forth in the Commission rule, the justification and grounds for such extended confidential treatment are set forth in Exhibit "C" to this request and motion.

WHEREFORE, Tampa Electric respectfully requests that the Confidential Information that is the subject of this request and motion be accorded confidential classification for the reasons set forth herein and for 18 months.

DATED this 13th day of May, 2024.

Respectfully submitted,

J. JEFFRY WAHLEN

Justifications

(1) The highlighted information relates to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. This information is protected by Section 366.093(3)(e), Florida Statutes.

(2) The confidential information contained in these columns consists of the proprietary work product of Tampa Electric's consultant, Concentric Energy Advisors ("Concentric"). Public disclosure of this information could allow duplication of the consultant's work without compensation for the consultant's efforts. This information is in the nature of a trade secret owned by Concentric, and disclosure of this information would impair Concentric's competitive business interests by diminishing the demand for Concentric's proprietary work production. This information is protected by Section 366.093(3), Florida Statutes.
