

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

IN RE: Application for certificate to provide
wastewater service in Charlotte County, by
Environmental Utilities, LLC

DOCKET NO. 20240032-SU

ENVIRONMENTAL UTILITIES, LLC.'S
AMENDMENT TO REDUCE REQUESTED SERVICE AREA

Environmental Utilities, LLC. ("EU"), by and through its undersigned attorneys, files this amendment to its Application to delete certain property from its requested service area and states:

1. It was never the intent of EU to apply its septic-to-sewer project to Hideaway Bay, and Placida Beach condominiums. These condominiums are served by a central wastewater treatment plant which is permitted by the Florida Department of Environmental Protection.

2. The owners of the units in these condominiums are not included in the number of prospective customers as set forth in the Application, and thus service to them is not included in any of the financial analyses.

3. Attached hereto are the legal descriptions of the two condominiums which are hereby deleted from EU's Application.
