Good afternoon

I am writing because I'm concerned about the rate increase on Floridians. A agreement was made in 2021 to force Floridians to pay for the overuse of power from big corporations such as Walmart and hospitals. These big corporations are billionaires! Cost of everything has double just about on many things and these companies are making so much more money! At Walmart we do self-checkout on a tiny space to put our way overprices cheaply made foods and products awful customer service. And at hospitals we all know how over priced a visit to the ER is! The medical field makes so much money and still has no cures! Some people lose everything they own just trying to pay for medical expenses because the cost is so high. Some people have to file bankruptcy because they cant afford the high cost of the medical expenses! Yet the powers that be, big corporations want us hardworking middle class to foot their power bill cost? Are you kidding me?

RE: FPSC Inquiry 1444795C

Dear Ms. McClure:

The Governor's office forwarded a copy of your correspondence regarding Tampa Electric Company (TECO) to the Florida Public Service Commission (FPSC). The FPSC regulates investor-owned electric, and natural gas utilities throughout the state, and investor-owned water and wastewater utilities in those counties which have opted to transfer jurisdiction to the FPSC. The FPSC has authority in the telephone industry which is limited to the Lifeline Assistance Program, Florida Relay Service, and pay telephone service. We appreciate the opportunity to respond directly to you.

We appreciate your comments and will add your correspondence to Docket No. 20240026 regarding TECO's petition for a rate increase.

You may review all the information filed with the FPSC by accessing our website at <http://www.floridapsc.com>. Tap on the section for Clerk's Office, then Dockets and type in Docket No. 20240026 (just the number). Once you reach the Docket, tap on Document Filings Index to view all the information filed by the utilities and other parties in this Docket.

If you have questions or concerns, please contact me at 1-800-342-3552.

Sincerely,

Ellen Plendl
