Yes that \$500 is for the non-compliance docket.

\$300 goes to the General Revenue Fund and \$200 goes to the PSC trust fund

Is the Company, paying a \$500.00 fine , because they sent in a check for \$1,244.00 and after they pay the RAF they have \$500.00. Left over., and if so does all the \$500.00 go to fines.

Or is it split it up between Recovery Cost?
