COMPLAINT INFORMATION

Complaint: Improper Billing against Duke Energy Florida, LLC d/b/a Duke Energy

Details:

Another rate increase will make it much more stressful and difficult than what it is now, since the last increase. I haven't struggle to pay my electric bill for a while but now I see that it is becoming much more difficult to come up with the entire monies for my electric bill. My neighbors, whom are elderly, are also complaining due to the proposed increases because their Social Security checks are not increasing enough to pay a higher rate of electricity. That is causing a lot of unnecessary stress that compromises our immune system and causes other health issues. Please reconsider NOT approving the increase"
