RE: CONFIDENTIALITY OF CERTAIN INFORMATION

DOCKET NOS: 20240026-EI DOCUMENT NO: 02693-2024

DESCRIPTION: TECO (Ponder) - (CONFIDENTIAL) Highlighted portions of supplemental response to OPC's 2nd request for PODs (No. 37).

SOURCE: **Tampa Electric Company**

Pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code, Tampa Electric Company ("TECO") requests confidential classification of certain information sent in response to Office of Public Counsel's Second Request for Production of Documents. More specifically, the information which confidentiality is sought relates to No. 37, shared service costs for TECO and its affiliates.

According to TECO, the disclosure of this information would harm the ability of the company and its affiliates to do business as the document includes information consisting of labor rates, and calculations related to TECO and its affiliates.

Staff has reviewed TECO's confidentiality request and agrees that the nature of the information meets the requirements set fourth in Section 366.093(3)(d) and (e), F.S. Therefore, staff recommends that the request for confidentiality of certain information included in Document No. 02693-2024 be approved.

The above confidential material was filed along with a request for confidential classification. Please complete the following form by checking all applicable information and forward it to the attorney assigned to the docket, along with a brief memorandum supporting your recommendation.

- The document(s) is (are), in fact, what the utility asserts it (them) to be.
- The utility has provided enough details to perform a reasoned analysis of its request.
- The material has been received incident to an inquiry.
- The material is confidential business information because it includes:
- (a) Trade secrets;
 - (b) Internal auditing controls and reports of internal auditors;
 - (c) Security measures, systems, or procedures;
 - (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;
 - (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information;
 - (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities;
- The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.
- The material appears not to be confidential in nature.
- The material is a periodic or recurring filing and each filing contains confidential information.

This response was prepared by Ian Mason on May 9, 2024, a copy of which has been sent to the Office of Commission Clerk and the Office of General Counsel.
