Good Day ! FPSC Docket No. 20210015 FPL Account No. 26582 57510

Ref : The FPL Rate Increase, vs the Monetary Lower KWH Monthly Usage Penalty ?

The controversy centers directly on the fact that FPL and also the office of Public Counsel mised the FPSC about their deceptive tactics towards monetarily penalizing Individuals such as myself for our Lower monthly KWH usage.<<<<<

The Monthly Monetary Increase was primarily implemented to Monetarily "Penalize" individuals such as myself for my Lower Monthly consumption of electrical power.

In retrospect FPL should of rewarded, and also commended our family for conserving electrical energy. Thank You FPL, OPC, & FPSC. ! <<<<<

Hopefully the Florida Supreme Court will overturn the serious mistake that the FPSC made . <<<<<

Thank You.

Kind Regards,
