Subject: RE: Reject Duke Rate Hike Docket #20240025

Good Morning, Juan del Castillo.

We will be placing your comments below in consumer correspondence in Docket No. 20240025, and forwarding them to the Office of Consumer Assistance and Outreach.

Thank you!

Toni Hover

Subject: Reject Duke Rate Hike Docket #20240025

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Please note this email as my protest to yet another rate increase by a private utility company that the 5th most expensive for providing energy. How much of this increase is guaranteed to be spent in Florida or is it for improvements in one of the other states that Duke Energy does with?

No, enough! The move to solar is already bringing energy production costs down, we don't need to increase the profit to Duke Energy.

Thank you,

Juan del CASTillo

Orlando, Florida
