To PSC Members,

I am a TECO customer and writing to express my opposition to TECO's proposed rate increase.

I urge you to carefully consider the impact of a rate increase on Florida residents, particularly the most vulnerable among us. With the rising costs of living, including housing, home and car insurance, a hike in utility rates would be another added burden and decrease our quality of life.

I ask that you prioritize the interests of your consumers and reject TECO's proposed increase. Now more than ever, it is crucial to ensure that essential services remain affordable and accessible to all Floridians.

Thank you for your careful consideration to this matter.

Regards,  
Rhoda Stein
