CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

My name is Maria J Botero , I live in Oviedo Florida with my husband Carlos Cabrera and we are Duke Energy customers; we are very disappointed with the proposed increase in Duke energy rates; we are retired and in this time of some many economic challenges it will be more difficult to afford higher utilities bills.

I hope you will consider the public wellbeing when doing your decision.
