Dear Clerk,

I Wendy Nunez, of 3045 Dikewood Ct Winter Park FL. Would like to voice my frustration with Duke Energy. Do NOT allow a rate hike. We Citizens of Florida are under tremendous financial stress. This will be the straw that breaks my family.

We already have Solar Panels and during the summer months the cost of the panels PLUS electric bill puts our combined bills over 400\$ a month. Our home is less than 2,000 Sq. Ft. we have four children. Our family of six would greatly struggle with the wild card to our budget that is Duke Energy bill.

This added expense per month would be taking food out of our children's mouths.

My house hold is strongly rejecting allowing this price increase.

Thank you for your time.

Kindly,

Wendy Nunez
