Subject: Duke Rate Hikes

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Do Not Approve another rate hike. Duke already gets way too much for the poor quality service they provide. It is bad enough that an out of state entity has control of our electricity here in Florida. With the economy making it hard for Seniors and Families to make ends meet another rate hike is only sticking it to us Floridians. Signed, Sharon Fussell Longwood FL
