BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION
COMMISSION STAFF
DIRECT TESTIMONY OF ANGELA L. CALHOUN
DOCKET NO. 20240026-EI
JUNE 10, 2024

Q. Please state your name and address.

A. My name is Angela L. Calhoun. My address is 2540 Shumard Oak Boulevard;
Tallahassee, Florida 32399-0850.

Q. By whom are you employed and in what capacity?

A. I am employed by the Florida Public Service Commission (FPSC or Commission) as
Chief of the Bureau of Consumer Assistance in the Office of Consumer Assistance &
Outreach.

**Q. Please give a brief description of your educational background and professional
experience.**

A. I graduated from Florida State University in 1993 with a Bachelor of Arts degree. I
have worked for the Commission for more than 24 years, and I have experience in
consumer complaints and consumer outreach. I work in the Bureau of Consumer
Assistance within the Office of Consumer Assistance & Outreach where I manage
consumer complaints and inquiries.

Q. What is the function of the Bureau of Consumer Assistance?

A. The Bureau's function is to resolve disputes between regulated companies and their
customers as quickly, effectively, and inexpensively as possible.

**Q. Do all consumers that have a dispute with their regulated company contact the
Bureau of Consumer Assistance?**

A. No. Consumers may initially file their complaint with the regulated company and reach

1 a resolution without the Bureau’s intervention. In fact, consumers are encouraged to
2 allow the regulated company the opportunity to resolve the dispute prior to any
3 Commission involvement.

4 **Q. What is the purpose of your testimony?**

5 A. The purpose of my testimony is to discuss/outline the number of consumer complaints
6 logged with the Commission against Tampa Electric Company under Rule 25-22. 032,
7 Florida Administrative Code, Consumer Complaints, from April 1, 2020 through
8 March 31, 2024. My testimony will also provide information on the type of
9 complaints logged and those complaints that appear to be rule violations.

10 **Q. What do your records indicate concerning the number of complaints filed for**
11 **Tampa Electric Company?**

12 A. From April 1, 2020 through March 31, 2024 the Commission logged 1,026 complaints
13 against Tampa Electric Company. Of those, 615 were transferred to the company for
14 resolution via Commission’s Transfer-Connect (Warm-Transfer) System. This system
15 allows the Commission to directly transfer a customer to Tampa Electric Company
16 customer service personnel. Once the call is transferred to Tampa Electric Company,
17 the Company can provide the customer with a proposed resolution.

18 **Q. What have been the most common types of complaints logged against Tampa**
19 **Electric Company during the period of April 1, 2020 through March 31, 2024?**

20 A. During the specified time period, approximately fifty-two (52%) percent of the
21 complaints logged with the Commission concerned billing issues, while approximately
22 forty-eight (48%) percent of the complaints involved quality of service issues.

23 **Q. Do you have any exhibits attached to your testimony?**

24 A. Yes. I am sponsoring ALC-1 and ALC-2, which are listings of consumer complaints
25 logged with the Commission against Tampa Electric Company under Rule 25-22.032,

1 Florida Administrative Code. The complaints listed were received between April 1,
2 2020 through March 31, 2024, and were captured in the Commission’s Consumer
3 Activity Tracking System (CATS). Exhibit ALC-1 lists quality of service complaints
4 and Exhibit ALC-2 lists billing complaints. Both exhibits group the complaints by
5 Close Type.

6 **Q. What is a Close Type?**

7 A. A Close Type is an internal categorization code. It is assigned to each complaint once
8 staff completes its investigation, and a proposed resolution is provided to the
9 consumer.

10 **Q. Do you have any additional exhibits?**

11 A. Yes. Exhibit ALC-3 is a listing of complaints resolved as Close Type GI-02, Courtesy
12 Call/Warm Transfer.

13 **Q. Can you explain Close Type GI-02?**

14 A. Yes. Tampa Electric Company participates in the Commission’s Transfer-Connect
15 (Warm-Transfer) System. This system allows the Commission to directly transfer a
16 customer to the company’s customer service personnel. Once the call is transferred to
17 Tampa Electric Company it provides the customer with a proposed resolution.
18 Customers who are not satisfied with the company’s proposed resolution have the
19 option of re-contacting the Commission. While the Commission is able to categorize
20 each of the complaints in the GI-02 category, a specific Close Type is not assigned
21 because the proposed resolution is provided by the company. Consequently, the GI-02
22 Close Type only allows staff to monitor the number of complaints resolved via the
23 Commission’s Transfer-Connect System.

24 **Q. How many of the complaints summarized on your exhibit has staff determined**
25 **may be a violation of Commission rules for Tampa Electric Company?**

1 A. Staff determined that, of the 1,026 complaints logged against Tampa Electric Company
2 during the period of April 1, 2020 through March 31, 2024, there were two (2) service
3 quality complaints and two (2) billing complaints that appear to demonstrate a
4 violation of Commission Rules.

5 **Q. Does that conclude your testimony?**

6 A. Yes.
