**Q. Please state your name and address.**

A. My name is Angela L. Calhoun. My address is 2540 Shumard Oak Boulevard;  
Tallahassee, Florida 32399-0850.

**Q. By whom are you employed and in what capacity?**

A. I am employed by the Florida Public Service Commission (FPSC or Commission) as  
Chief of the Bureau of Consumer Assistance in the Office of Consumer Assistance &  
Outreach.

**Q. Please give a brief description of your educational background and professional  
experience.**

A. I graduated from Florida State University in 1993 with a Bachelor of Arts degree. I  
have worked for the Commission for more than 24 years, and I have experience in  
consumer complaints and consumer outreach. I work in the Bureau of Consumer  
Assistance within the Office of Consumer Assistance & Outreach where I manage  
consumer complaints and inquiries.

**Q. What is the function of the Bureau of Consumer Assistance?**

A. The Bureau's function is to resolve disputes between regulated companies and their  
customers as quickly, effectively, and inexpensively as possible.

**Q. Do all consumers that have a dispute with their regulated company contact the  
Bureau of Consumer Assistance?**

A. No. Consumers may initially file their complaint with the regulated company and reach

1 a resolution without the Bureau’s intervention. In fact, consumers are encouraged to  
2 allow the regulated company the opportunity to resolve the dispute prior to any  
3 Commission involvement.  
4

5 **Q. What is the purpose of your testimony?**

6 A. The purpose of my testimony is to discuss/outline the number of consumer complaints  
7 logged with the Commission against Duke Energy Florida, LLC (DEF) under Rule 25-  
8 22.032, Florida Administrative Code, Consumer Complaints, from April 1, 2019  
9 through March 31, 2024. My testimony will also provide information on the type of  
10 complaints logged and those complaints that appear to be rule violations.  
11

12 **Q. What do your records indicate concerning the number of complaints filed for**  
13 **DEF?**

14 A. From April 1, 2019 through March 31, 2024 the Commission logged 4,144 complaints  
15 against DEF. Of those, 2,296 were transferred to the company for resolution via  
16 Commission’s Transfer-Connect (Warm-Transfer) System. This system allows the  
17 Commission to directly transfer a customer to DEF customer service personnel. Once  
18 the call is transferred to DEF, the Company can provide the customer with a proposed  
19 resolution.  
20

21 **Q. What have been the most common types of complaints logged against DEF during**  
22 **the period of April 1, 2019 through March 31, 2024?**

23 A. During the specified time period, approximately sixty-three (63%) percent of the  
24 complaints logged with the Commission concerned billing issues, while approximately  
25 thirty-seven (37%) percent of the complaints involved quality of service issues.

1 **Q. Do you have any exhibits attached to your testimony?**

2 A. Yes. I am sponsoring ALC-1 and ALC-2, which are listings of consumer complaints  
3 logged with the Commission against DEF under Rule 25-22.032, Florida  
4 Administrative Code. The complaints listed were received between April 1, 2019  
5 through March 31, 2024, and were captured in the Commission's Consumer Activity  
6 Tracking System (CATS). Exhibit ALC-1 lists quality of service complaints and  
7 Exhibit ALC-2 lists billing complaints. Both exhibits group the complaints by Close  
8 Type.

9  
10 **Q. What is a Close Type?**

11 A. A Close Type is an internal categorization code. It is assigned to each complaint once  
12 staff completes its investigation, and a proposed resolution is provided to the  
13 consumer.

14  
15 **Q. Do you have any additional exhibits?**

16 A. Yes. Exhibit ALC-3 is a listing of complaints resolved as Close Type GI-02, Courtesy  
17 Call/Warm Transfer.

18  
19 **Q. Can you explain Close Type GI-02?**

20 A. Yes. DEF participates in the Commission's Transfer-Connect (Warm-Transfer)  
21 System. This system allows the Commission to directly transfer a customer to the  
22 company's customer service personnel. Once the call is transferred to DEF it provides  
23 the customer with a proposed resolution. Customers who are not satisfied with the  
24 company's proposed resolution have the option of re-contacting the Commission.  
25 While the Commission is able to categorize each of the complaints in the GI-02

category, a specific Close Type is not assigned because the proposed resolution is provided by the company. Consequently, the GI-02 Close Type only allows staff to monitor the number of complaints resolved via the Commission’s Transfer-Connect System.

**Q. How many of the complaints summarized on your exhibit has staff determined may be a violation of Commission rules for DEF?**

A. Staff determined that, of the 4,144 complaints logged against DEF during the period of April 1, 2019 through March 31, 2024, there were 12 service quality complaints and 91 billing complaints that appear to demonstrate a violation of Commission Rules.

**Q. Does that conclude your testimony?**

A. Yes.
