Subject: RE: Docket 20240026 (Comment-TECO)

Good Morning,

We will be placing your comments below in consumer correspondence in Docket No. 20240026-EI and forwarding your comments to the Office of Consumer Assistance and Outreach.

Sincerely,

Brian Schultz

Commission Deputy Clerk II
Florida Public Service Commission
2540 Shumard Oak Boulevard
Tallahassee, Florida 32399
850.413.6770

PLEASE NOTE: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are considered to be public records and will be made available to the public and the media upon request. Therefore, your e-mail message may be subject to public disclosure.

To whom it may concern,

My household is not in favor of a tax rate. We have yet to see relief from the last investment electricity consumers invested in (solar panels) where we were told the system improvements would lead to lower rates overall. Additionally, many City of Tampa lines in older neighborhood with fewer obstacles (absence of sidewalks) are still above ground and burying the lines could alleviate future contracts for tree trimming and maintenance.
