Subject: RE: Duke Asking For Increase

Good Afternoon, Ruth Ort.

We will be placing your comments below in consumer correspondence in Docket No. 20240025, and forwarding them to the Office of Consumer Assistance and Outreach.

Thank you!

Toni Hover

PLEASE NOTE: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are considered to be public records and will be made available to the public and the media upon request. Therefore, your email message may be subject to public disclosure.

Subject: Duke Asking For Increase

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

With inflation being so high and the cost of groceries so high so that it is impossible to meet all these bills. Add on the cost of gas. There is no money for us to pay a higher electric bill. I will be 86 years this month and how can I live without having electric in my house? With the bad economy, now is not the time for an increase. I am definitely against an increase especially now. Please do not approve it. Thank you.
