CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

I am against TECO requested rate hike.

The rates are unaffordable with my bill already over \$400 most months on a bedroom home that's had an energy audit.

TECO needs to learn to live within their means and stop abusing customers with rate hikes.

Thank you for standing up for the people and not corporate interests!  
Tim Nowak
