As follow-up to my previous concern not to proceed with the above project due to having taxpayers paying for something that is not needed - for the sake of having a few individuals benefit financially. The recent article below is yet another story of the risk of having sewage spills just like it did in St.Petersburg, FL.

<https://www.bradenton.com/news/local/article289285880.html>
4,000 gallons of raw sewage spilled into Bradenton streets after lift station failure
