### COMPLAINT INFORMATION

Complaint: Other Complaints against Tampa Electric Company  
Details:

I can not believe Tampa Electric Company is requesting yet another rate increase. The last one just months ago was followed by a letter promising to reduce it. As it was only temporary. Rate increases they say give us the promise of better service. Enough! Enough! NO rate increase!

Comments:

Please do NOT approve TECO's rate increase. TECO has already been able to jack up the prices relative to the rest of the state. They will keep requesting rate increases until you stop approving them. Please stop increasing the rates and work on LOWERING them. Thank you
