RE: Docket No. 20240094-GU: Petition for Approval of Special Contract with Peoples Gas System and Florida Public Utilities Company, Inc.

Request For Confidential Classification for Document No. 04435-2024

On May 31, 2024, Peoples Gas System, Inc. (Peoples) filed a request for confidential classification of Document No. 04435-2024. This document contains certain information in Exhibit A to the Special Contract with Florida Public Utilities Company (FPUC) for the Special Contract on page 2. Specifically, Peoples identified the total Maximum Transportation Quantity and Meter at PGS-Callahan Pipeline Interconnect on page 9. Furthermore, Peoples explained in its request for confidential classification that both Peoples and FPUC treat the information as proprietary confidential business information that is not otherwise available in the public domain.

Staff reviewed the document and concurs with Peoples that the nature of the information meets the requirements set forth in Sections 366.093(3)(d) and (e), Florida Statutes, whereby disclosure of the information would harm the competitive business operations of Peoples. Therefore, Staff recommends that the request by Peninsula for confidential classification of Document No. 00968-2024 be approved.
